This team evaluation consists of seven performance dimensions, defined below. For each element of the seven dimensions, you will be asked to give a score between 1 and 10. A score of 1 indicates only 10% performance on the element (extremely poor), while a score of 10 indicates 100% performance on the element (excellent). The scores you give will be combined with those of other team members to provide a Team Profile Score for a member.
